STAT

To

Whose Contribution has been a
major one during difficult but exciting
times.

I will remember the absolutely
invaluable help you gave me when I first
came. I do not know what has impressed
me most, your dedication, your intelligence,
your instinctive intuition of the right thing to
do, or the untiring and steadfast assistance
you gave to our Pilot during the storm.

Congratulations on your new
job and move toward ever greater responsibilities.
We are indeed a lucky organization to have
you with us.

With grateful appreciation and
Warm regards

Dice Walters.
